

**2018 YEAR 3 SUBJECT OPTION FORM**

As a current Year 2 student in 2017, you must indicate the subjects you wish to take on promotion to Year 3 in 2018. Study the subjects below carefully before indicating your preferences. Please note that allocation of subjects is based on merit and subject to availability of places.

In the table below, there are 4 compulsory subjects and 2 sets of elective subjects – Science and Humanities. For each set of elective subjects, select by ticking the subject(s) of your choice as indicated in the table.

|                            |   |
|----------------------------|---|
| <b>Compulsory Subjects</b> | English Language  |
|                            | Chinese Language  |
|                            | Chemistry   |
|                            | Integrated Mathematics  |
| <b>Science Tick ONE</b>    | <input type="checkbox"/> Biology<br><input type="checkbox"/> Physics  |
| <b>Humanities Tick TWO</b> | <input type="checkbox"/> Business<br><input type="checkbox"/> Economics<br><input type="checkbox"/> Geography<br><input type="checkbox"/> History |

|  |  |                                      |              |
|--|--|--------------------------------------|--------------|
| <b>Student's Name</b>                  |  | <b>Class</b>                         | Year 2 _____ |
| <b>Parent/Guardian's Name</b>          |  |                                      |              |
| <b>Parent/Guardian's Email Address</b> |  | <b>Parent/Guardian's Contact No.</b> |              |
| <b>Parent/Guardian's Signature</b>     |  | <b>Date</b>                          |              |

**Note:**

- 1. This option form must be returned to the Form Teacher by Monday 28 August 2017.**
- 2. In order to reserve a place for Year 3 in 2018, the tuition fee for Semester One 2018 must reach the administration office by 15 November 2017.**
- 3. For further clarification, please contact Mrs Michelle Koh (Dean of Academic Counselling & Head of Mathematics (Middle School)) (email: kohsm@hcis.edu.sg) or Mr Wang Jiunn (Head of Science (Middle School)) (email: wangjiunn@hcis.edu.sg) via email or phone (+65 64647077).**
